

## Proven quality – perfect protection

**apraTeK**

### 19" enclosure system **apraTeK**

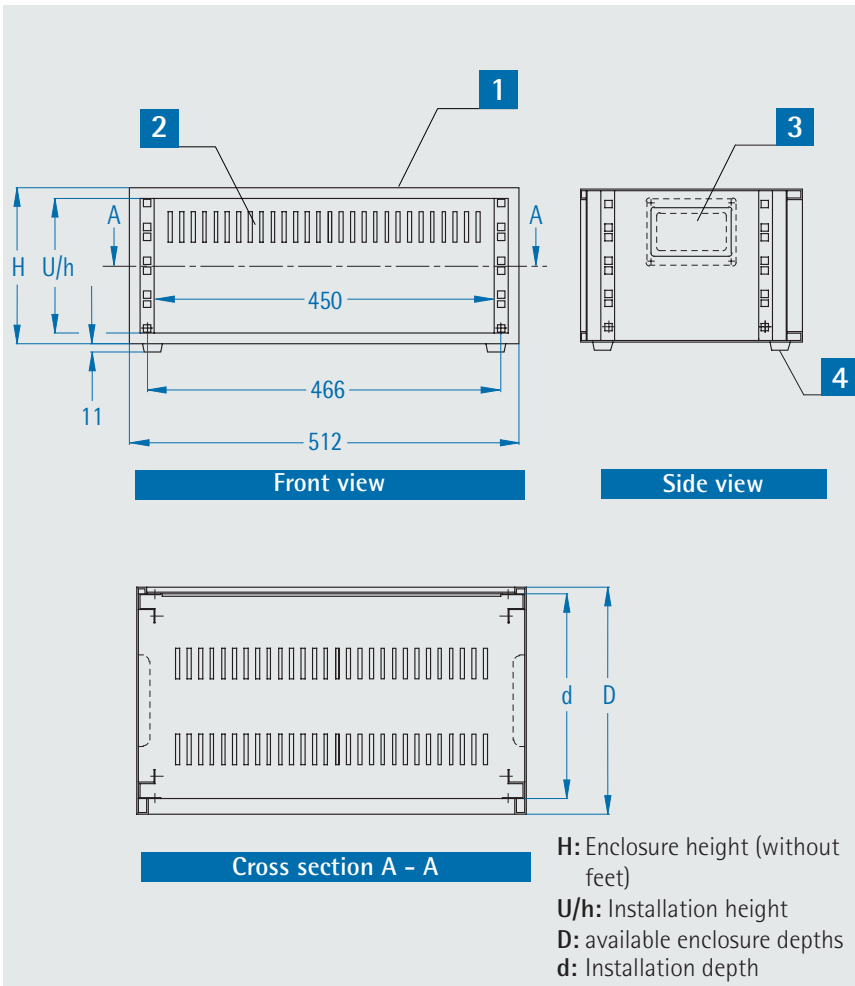

- high functionality
- perfect for mechanical engineering applications
- practical flip-up handles
- protection system IP20
- can either be used as 19" enclosure or 19" stand-alone enclosure
- skid-proof feet
- high stability
- ventilated rear and bottom panel
- installation dimensions acc. IEC 297-1

The perfect combination of economy and functionality is the characteristic feature of the apraTEK 19" enclosure system.

Designed for high loads, the enclosure's construction with welded 19" mountings makes the apraTEK perfect for the use in rough industrial environments.

### Specifications

**Application:**

19" plug-in units, shelves and 19" subracks can be installed in the enclosure.

Due to the robust construction apraTEK can also be used as a heavy-duty cabinet system in rough environments.

**Construction:**

The enclosure has a solid, welded sheet steel shell.

**Finish:**

RAL 7035 light grey

**Protection system:**

IP 20

**Standards:**

Installation dimensions acc. IEC 297-1
